Dear Fan

Thank you for your interest in the Richard Britton Supporters Club.

As you will be aware, Richard is one of Ireland's finest **Real Road Racers** and it is the club's aim, along with people like yourself, to try and give Richard some much needed financial help that will hopefully make his racing exploits a little less burdensome.

Now in its second year, the Club is still evolving and it is the intention of the club to continue to provide support for Richard in any way possible.

Richard's website www.richardbrittonracing.com has all the up to date news, photographs and information regarding his racing campaign and the Supporters Club section has information on the club's events and fundraising activities.

If you are a Richard Britton Supporter, please fill in the application form (attached) and return to the Club Treasurer at the address below. You will then be part of Richard's 'Team' by becoming an Official Supporters Club Member. A Membership card will be dispatched to you along with the latest Club information.

Yours in Sport
